

# Building God's Kingdom

God has called each one of us to build His kingdom here on earth. It is within this parish community that we all have the opportunity to use our gifts to build the kingdom of God. By the gift of the Spirit, we are the Body of Christ in this place and time. As members of that Body we all have different and unique gifts, given to us by God for this purpose. When we bring these gifts together in our parish we truly can build God's kingdom here on earth.

Can you think of a special gift or gifts you have that you could share with your parish community?
