Membership

For the year 2010 we have 144 paid members at St. Eugene's Catholic Women's League. Total membership across Canada is over 108,000 women strong.

While your presence at meetings is important to us, we realize that in this busy world it may not always be possible for you to attend. Be assured that your interest and support is as important as your attendance.

Membership is open to all women aged 16 and over. As a Catholic woman your annual membership of \$15.00 a year gives you the option to be an active member with voting privileges and eligibility for office by election or appointment, or a supporting member who will pray for the work done by League members and allow your name to stand with other Canadian members on issues presented to our government.
